

Oven 375 degrees

Ingredients:

1, 14oz. can sweetened condensed milk, run under hot water for easy pouring

3/4 cup peanut butter

2 cups biscuit baking mix (Bisquick)

1 tsp. vanilla

Toppers: 5 dozen Hershey's kisses unwrapped

Preheat oven to 375 degrees

Directions:

Mix condensed milk, peanut butter, biscuit mix, vanilla thoroughly. With a small cookie scoop, scoop up balls, roll in sugar and place on ungreased cookie sheet. Cookies do not spread so you may put them close together. Bake 375 for 6-8 minutes. Press lightly kiss into hot cookie immediately after coming out of the oven. In 2 min. Tap gently partially melt Kiss again to help candy to stick to the cookie. Remove to cooling rack.
